

OMAN

The Sultanate of Oman is one of the lesser known Gulf Countries, situated on the south eastern end of the Arabian Peninsula. Known for its open spaces, friendly people and scorching summers, this is the gem of the Middle East.

THE PEARL OF ARABIA

With rich heritage and a proud, welcoming culture, Oman offers wide, expansive beauty – untouched beaches, phenomenal diving, markets that hold the allure of frankincense. Expect a close knit expat community and a social environment that will make the scorching heat worthwhile.
